

Bob Carty, LCSW, CADC, CCJP

Bio

For forty years, Bob Carty participated in the behavioral health profession in various roles – counselor, supervisor, trainer, mentor, and board member. In 2019, he retired from his position as the Director of Clinical Services at the Chicago facility of the Hazelden-Betty Ford Foundation. Previously, he coordinated Grant Hospital's Clinical Training Program for Addictions Counselors, worked as a Deputy Director at TASC, started his own consulting company, and served as the Program Coordinator of Harborview Recovery Center. In 2011, the Illinois Certification Board presented him with the Professional of the Year award. In 2019, the Illinois Association of Addictions Professionals presented him with the William White Lifetime Achievement Award. Since Bob's retirement, he continues to provide consultation to the Illinois ROSC network and trains on various recovery topics.
